Self Study Report (SSR)

PREFACE

M.L.S.M. College, Darbhanga is a constituent unit of L. N. Mithila University, Darbhanga. Although 37 years old, the College is presenting itself now for first cycle of accreditation by National Assessment and Accreditation Council (NAAC). The SSR is divided into seven components viz.. (1) Executive Summary (2) SWOC analysis (3) Profile of the College (4) Criterion wise inputs (5) Evaluation Report (6) Master plan of the College and (8) A declaration by head of the Institution.

The College was established in the year 1979 and in its existence of 37 years College has gained a prominent place in the academic scenario of the state setting various benchmarks. The college provides quality education through competent faculty and excellent infrastructure. Approximately 4903 students from different parts of the state are studying in the College to make a difference in their lives. Our students have proved their potential year after year by securing excellent results in the University examinations.

The College offers undergraduate programmes as well as doctoral level programmes in three important faculties viz. Science, Arts & Commerce. Altogether, teaching and research is available in 24 subjects.

In the last 37 years, since it was established, the College has graduated more than 34000 undergraduate students with various specializations in subjects concerned. The active research programmes of the College have produced nearly 128 doctoral thesis.

The campus of the College is located near Akashwani, Darbhanga in a picturesque 6351.65 sq.metre plot of land. It is one of the most beautiful and well-maintained educational campuses in the Town. It was donated by the members of Darbhanga Raj Pariwar. The infrastructure includes research laboratories, lecture halls, playground, gymnasium and a Library with over 22000 books & Journals.

The SSR has been prepared as per instructions laid down by NAAC. Rather it is to be monitored through the national and global trends. The NAAC has

developed certain indicators for continuous assessment of the quality of higher education. Efforts have been made to assess the fulfillment of various criteria as laid down by NAAC.

A team effort has led to the final preparation of SSR. I express my sincere thanks to the entire College family for extending full support & co-operation. I also put on record my sincere thanks to our Hon'ble Vice-Chancellor for motivating the entire team to work in team spirit.

We are very much keen to meet the Peer Team of NAAC during their forthcoming visit to our College. Such occasion and interactions will provide us the opportunity to enrich ourselves with their comments and suggestion.

With thanks and greetings.

Executive Summary

Criterion I: Curricular Aspects

M.L.S.M. College, Darbhanga is a constituent unit of L.N.Mithila University, Darbhanga and hence the responsibility to update curriculum rests on the University. Curricula are periodically reviewed and revised by the University to make them relevant to the needs of the students.

Syllabi of all the 24 Undergraduate courses have been revised in the year. As many as 07 teachers of the College are members of Syllabus Committee at University level and thus they all facilitated in updating the syllabus.

The curricula address the needs of the society and have relevance to the national developmental needs. The College also carries out extension activities through NCC and NSS units. Both the units are vibrant and organize extra-curricular activities on regular basis.

Criterion II: Teaching-Learning and Evaluation

The College has an Internal Quality Assurance Cell (IQAC) that meets on regular basis and discusses various issues regarding teaching-learning and evaluation. IQAC was established in the year 2012 and in last two years it has actively monitored quality issues. College admits students as per seat approved by the State Government. The admission process is fully transparent. College follows Reservation policy as laid down by the State Government. It is a co-educational institution, and girl students are in fairly large no. For physically challenged students also, seats are reserved.

For all-round development of students, College offers a proper blend of academic activities and sports. Before commencement of any programme, induction classes are arranged where students are made aware of the traditions and objectives of the college. The College is sensitive to the needs of disadvantaged students for whom counselling and special classes are arranged.

The College lays great stress on attendance. Teaching-learning method is student-centred. The College uses all modern teaching aids. Efforts are made to maximize the use of such teaching aids to improve the learning experience. Computers with internet facility have been provided in all departments.

The College has well qualified teachers. At present 140 teachers and 19 Lab-Incharge are working of which 139 are male and 20 female. All faculty members except 10 are Ph. D. holders and all of them are Ph. D. guide and are thus actively involved in research and publication. Approximately 94 of the teaching staff have participated in Workshops/ Seminars/ Conferences and 61 of them have presented their papers. More than 13 faculty have served as resource persons.

Criterion III: Research, Consultancy and Extension

College gives utmost importance to research and extension activities. In the last five years, as many as 71 faculty members out of 140 have acted as Ph.D. supervisors. In the last five years 01 Major Research Project and 27 Minor Research Projects have either been successfully completed or are ongoing projects. Besides, departments also organize seminars and workshops regularly. In the last five years, as many 03 one day seminars have been organized from UGC fund and 06 seminar have been organized from College fund.

In order to encourage research, during last five years College has spent **Rs 5.80 lakhs** on the purchase of books equipments and other infrastructural facilities. Important research journals are available in the College library for the use of students and researchers. The College has also introduced INFLIBNET facility in the Library. Wi-Fi connectivity is available for students and teachers in the campus.

Criterion IV: Infrastructure and Learning Resources:

The College has sufficient infrastructure to keep pace with its academic development. The College has its campus located in prime location and the local market value of the available infrastructure is more than 50 crores. The College has 15 classrooms out of which 11 rooms are large in size, each can easily accommodate up to 80 students. 04 classrooms are of smaller size and can accommodate up to 30 students. In addition to classrooms, the College has 08 laboratories. The College has a very big library with excellent reading room facility. The College utilizes one large auditorium. There are other facilities such as cool and clean drinking water and wash rooms for students and the faculty. The College also has a Health Centre. The college has a placement and counselling cell too.

For power supply, College has a big Generator of 30 KVA and four small Generators. The college has a canteen, a room for the visiting doctor, a branch of the Bank and most departments and offices have internet facility.

Thus, overall academic ambience in the college is much better today than what was five years ago.

Criterion V: Student support and progression

The college is now 37 years old and during these 37 years, College results show that on an average 96% of our students are successful in the University examinations. Students of the College are rank holders in many subjects in the University examinations. The College makes all possible efforts to facilitate progression to employment. The average drop-out rate for the last five years is as low as 3%.

State Government scholarships are provided to the students of disadvantaged section. Physically challenged students and students of disadvantaged section get special care. Students are encouraged to participate in sports, cultural and other extra-curricular activities.

The IQAC of the College regularly approaches and interacts with various organizations, Institutions and NGOs for collaboration which has ultimately led to enrichment in the quality of education and Extension activities during last five years.

A MOU was signed with Prabhat Das Foundation, a prominent NGO, which helped College students and NSS/ NCC cadets in getting training on Disaster Management and several other community development aspects.

Criterion VI: Governance, Leadership and Management

The College Principal along with his team viz. Bursar, Controller of Examination, various Heads of the Departments, Co-ordinator of IQAC all provide effective leadership enabling the College to fulfill its mission of excellence in education and empowerment of disadvantaged session. Besides the Internal Quality Assurance Cell (IQAC), there are a number of other important committees to perform various functions related to the general welfare of students. Grievance redressal cell is fully functional now.

Criterion VII: Innovations and Best Practices

In the last five years, college has initialed a number of innovative practices due to which, core values of NAAC are reflected in various functions of the College. College administration regularly interacts with various stakeholders for assurance of quality. All the five core values of NAAC, that is, national development, fostering global competencies among students, inculcating a healthy value system, promoting the use of technology and quest for excellence are tried to be reflected in the various functions of the College. The college has adopted following Best Practices over the year:-

INNOVATIONS & BEST PRACTICES

- Biometric Attendance System.
- Dress code.
- Online Admission Process.
- Installation of CCTV Camera.
- Energy Conservation Measures Used : The College is using LED, CFL, Star-rated Power equipments etc which consume lesser energy.
- Water harvesting and Ground water recharge: Constructed sufficient no. of water harvesting tanks and ground water recharge structures.
- Biodegradables Converted into Manure through Vermi – Compost.

SWOC ANALYSIS OF THE INSTITUTION

STRENGTH:

- Excellent Infrastructure with ambient academic environment.
- Competent and experienced faculty.
- Transparent Admission Process based on merit.
- Updated curriculum to improve the standard of students.
- Well equipped Laboratories, Excellent Library with reading room facility and Wi-Fi connectivity.

WEAKNESS:

No

1.2.6. Does the University provide for the flexibility of combining the conventional face to face and Distance mode Education for students?

No, at present College does not offer any such programme.

1.3 Curriculum Enrichment

1.3.1. Describe the efforts made by the institution to supplement to ensure that the academic programmes and institutions goal and objective are integrated.

Normally, Syllabus revision is made at regular intervals. On an average it is done after interval of three to four years depending upon the received feedback. College teachers also participate in the curriculum enrichment. The Academic Council finally approves revised syllabus. No revision is made in the middle of an academic year.

Once a new course is conceptualized it takes about two years to implement it. The following process is followed –

- It is placed in the Syllabus Committee.
- Then it is placed first in the new Teaching-cum-Affiliation Committee.

- Thereafter, the syllabus and Regulations are placed in the Academic Council and after the approval of Syndicate & Senate it is sent to the Chancellor for final approval.

The Syllabus Committee follows UGC model syllabus and guidelines while developing and re-structuring the curriculum.

The curriculum is updated according to the emerging trends in academics - nationally and globally. Relevant topics are identified by referring to national and international model curriculum and are accorded top priority.

1.3.2. What are the efforts made by the College to enrich and organize the curriculum to enhance the experiences of the students?

2.2 Catering to Student Diversity**2.2.1. What does the institution cater to the needs of differently abled students and ensure adherence to government policies in this regard.**

The needs of physically challenged students are taken due care. Ramps have been provided for their help. Manual help is also extended wherever necessary. Seats are reserved for such students in the admission. They are called 'Divyang' instead of Viklang.

2.2.2. Is there a provision for assessing students' knowledge/ needs and skills before the commencement of teaching programme?

- Induction classes are organized by different departments at the beginning of teaching programme, where students are informed about the curriculum, examination pattern, general discipline and dress code.

- Student's needs and skills are also assessed through interactions during the classes and student-teaching meet.

2.2.3. What are the strategies adopted by the institution to bridge the knowledge gap of the enrolled students?

The College attempts to bridge the gap between students of rural and urban backgrounds through special classes and mentor system.

Students hailing from rural communities face learning difficulties due to lack of communicative skills in English. This problem is overcome by-

- Adopting bilingual method of teaching
- Conducting Remedial classes.
- Conducting Special classes.
- Personal guidance by the faculty to the students.

2.2.4. How does the College sensitize its staff and students on issue such as gender, environment etc.

College staff and students are sensitized through their involvement in various extra-curricular activities organized through NSS and NCC wing.

2.2.5. What specific strategies are adopted for facilitating slow and advanced learners?

College has adopted following specific strategies for facilitating slow learners:-

- Taking special care to clarify the doubts
- Conducting special classes
- Counseling by the faculty
- Motivating and encouraging the students.
- Arranging interface with advanced learners

Facilities for advanced learners –

Advanced learners are encouraged to select advanced topics during Seminar and Projects.

2.2.6. How does the institute – collect, analyze and use the data and information on the academic performance of the students.

Academic performance of the students is monitored separately by different departments through:-

- Attendance
- Classroom interaction and Laboratory Performance
- Seminars and group discussions
- Project work

2.3 Teaching-Learning Process

2.3.1. How does the institution plan and organize the teaching and learning evaluation schedule into the total institutional scheme/ Do you have an academic calendar? How is it prepared?

- The Heads of concerned departments prepare annual academic calendar at the commencement of each session.
- This academic calendar is provided to the students and faculty members so that students have prior information about the commencement of teaching, number of working days, holidays and tentative dates of examinations.

2.3.2. How did IQAC contribute to improve the teaching-learning process?

The internal quality assurance cell of the college has taken of IQAC a number of important steps which has led to improvement in the overall academic environment of the college.

- Use of ICT has been enhanced in the teaching learning process.
- Computers with internet facility have been provided to most departments.

- Special classes are run to improve the communication skills of the students.
- Reading room facilities with important Magazines and journals have been provided in the library. Thus students can enhance their knowledge.

Faculty members are persuaded to use innovative teaching methods like OHP, ICT and Power Point Presentation.

These initiatives have resulted in much appreciation from students and have finally culminated in overall improvement in the academic environment.

2.3.3. How is 'learning' made student-centric? Give a list of the participatory learning activities adopted by the institution, which contribute to self-management of knowledge development and skill formation.

The learning has been made student-centric by various methods which includes:-

- Maximum use of ICT.
- Student seminar & group discussions.
- Providing text and reference books for self-study.
- Library with internet facility.
- Practical and project work.
- By making available e- learning resources.

All the above enable students to acquire competency in various subjects on their own.

CRITERION III: Research, Consultancy and Extension

3.1 Promotion of Research

3.1.1. Does the Institution have recognized research centre of the affiliating University?

Yes, most of the College teachers are recognized Ph.D. supervisors of the University. Hence, research is an important activity of the college.

3.1.2. Does the Institution have a research committee to monitor and address the issues of research?

The department council of the subject concerned functions as the research committee and monitors the research issues of the subject concerned. Besides, the IQAC of the College takes every step to improve the research environment of the College.

- The College provides necessary research infrastructure to its faculty members engaged in research work such as laboratory, library, equipments, power supply etc.
- The IQAC of the College meets frequently the faculty members and encourages them to approach UGC and other funding agencies for grant of major and minor research projects and to attend Conferences, Seminars / Workshops at the national and international level. It also encourages faculty members to publish research articles as the outcome of their research work.
- In the last five years as a result of good research environment **128** Research Scholars have obtained Ph.D. degree under the supervision of College faculty members.
- **Rs. 4.75 Lakh** has been received by **one** faculty member Dr. Ashok Kumar, Professor, Dept. of Physics earlier from UGC for Major Research Project which is completed in last five year and **Rs. 54.74 Lakh** has been received by **27** faculty members from UGC for Minor Research Projects during last five years.
- The College also provides adequate financial assistance to various departments for conducting Seminar/Workshop. In last

five years, many workshops & seminars have been organized by various departments

- During the last five years **09** conferences/seminars were organized in the College, by different departments.

6.4.7. How often is the fee revised?

The fee is revised at the interval of four to five years. The University takes final decision and communicates to the College.

6.4.8. What is the quantum of resources mobilized through donations? (other than block grants)

The College does not receive any donations. Expenses are met through the resources generated internally.

6.4.9. Narrate the efforts taken by the College for resource mobilization by various means.

M. L. S. M. College, Darbhanga is a constituent unit of L. N. Mithila University, Darbhanga. Hence all budgetary requirements are met by the state government. The state government through the University disburses the salary of all posts sanctioned with money for both teaching and non-teaching staff.

The fees collected from the students help the College to meet its internal expenses.

- The College receives the salaries of all teaching and non-teaching staff from the University on monthly basis.

6.5 Internal Quality Assurance System

6.5.1. Has the institution adopted any mechanism for internal quality checks?

Yes, the College has a well defined mechanism for internal quality checks.

- IQAC was formed in the year 2012 to address quality issues of the College.
- Periodic meetings of heads, Purchase Committee, Development Committee, Grievance Redressal Cell etc. all ensure internal quality checks.
- Greater use of ICT in Administration and Library has resulted in substantial quality enhancement.
- In IQAC meetings, quality issues are regularly discussed and the actions taken thereafter, which have resulted in overall enhancement of quality parameters.

6.5.2. How does the institution ensure the quality of its academic programmes?

Quality of academic programmes is ensured through the following methods.

- Feedback from students and other stake-holders.
- Periodic review of curricula as per suggestions of stakeholders.
- Completion of the syllabus within the specified time frame.

6.5.3. How does the institution ensure the quality of its administration?

- Maintenance of full transparency in all decision making process.
- Greater use of ICT in the administration like dissemination of information through Website, Online submission of Admission Application forms, salary payment through computer software etc.
- Various committees like IQAC, Development Committee, Purchase Committee, Grievance Redressal Cell and others, all work with full accountability.
- Suggestions from stakeholders are always welcome and necessary changes are effected accordingly.

6.5.4. What measures are taken by the institution to translate quality to the functioning of its various administrative and academic units?

The College maintains full transparency in its decision making process and encourages participatory approach, due to which quality is translated into the functioning of its various administrative and academic units.

- IQAC monitors the academic activities and thus takes a lead in ensuring quality in all academic activities.
- The administrative and academic functions are further streamlined with the help of various committees.
- Quality is further translated into the functioning of administrative units through greater use of ICT, proper use of funds, computerization of administrative offices and automation of library.

6.5.5. What mechanisms have been developed by the institution for quality assurance within the existing academic and administrative system?

The College has a well developed mechanism for quality assurance:

- Regular monitoring of quality issues by the IQAC.
- Updating of the syllabus.
- Inputs from stakeholders.
- Fulfillment of Infrastructure requirement.
- Decentralization of decision making process through Development Committee, Purchase Committee, Grievance Redressal Cell etc.
- Office and library automation.

6.5.6. What are the functions carried out by the above mechanisms in the quality enhancement of the institution?

- IQAC monitors all quality indicators and makes plans for further improvement.
- Departmental Council takes a lead in all the academic affairs of the department concerned.
- Development Committee exists as an apex body and monitors overall development of the College.
- Purchase Committee takes decisions with regard to important purchases.

6.5.7. What role is played by the students in assuring quality of education imparted by the institution?

Student's feedback is a very valuable tool for quality enhancement of the College. They can voice their opinions through:

- IQAC meeting.
- Structured online feedback on curriculum and teacher performance.
- Grievance Redressal Cell & Women Cell.
- Interaction with the heads and Principal.

6.5.8. In which way has the institution added value to student's quality enhancement?

Top priority is accorded to student's quality enhancement. Value addition is done through :

- Development of leadership qualities in the students through NCC and NSS.
- Celebration of days of national importance and local festivals.
- Students encouraged to use Internet facility in the Library.
- Inculcating reading habit among students.
- Incorporation of value based courses like General Studies as compulsory paper.

6.5.9. How are the core values of NAAC reflected in the various functions of the institution?

The 5 core values of NAAC are reflected in all the programmes and activities of the College.

NATIONAL DEVELOPMENT

- College is promoting National Development through celebration of days of national importance.
- Greater use of ICT.
- The curriculum has been designed in such a manner that the students can enhance their knowledge base and compete with other students at the national level.
- Availability of internet and Inflibnet facility.
- Reservation given to under-privileged groups.
- Extension programmes through NSS and NCC wing.

All the above methods help in the transformation of students into society-conscious citizens which ultimately contributes to national development.

FOSTERING GLOBAL COMPETENCIES AMONG STUDENTS

- Redesigning the curriculum to include the important areas of knowledge.
- Greater use of ICT.
- Inclusion of project work in the curricula.
- Skill based education.

INCULCATING HEALTHY VALUE SYSTEM

- New approach of education to create a class of intellectually & morally committed citizens.
- To develop sportsman spirit and leadership qualities among students through involvement in extra-curricular activities.
- Value based-teaching promoted.
- Celebration of days of national importance like Independence Day, Republic Day, Teacher's Day and important local and national festivals to inculcate ethical and moral values among students.
- Dedicated and committed teachers are icons of the society from whom students can learn a lot.

PROMOTING THE USE OF TECHNOLOGY

- Greater use of IT enabled teaching methods have resulted in drastic improvement in the teaching-learning process.
- Different departments have been provided with computers, laptops and OHPs to support teaching-learning process.
- Library provided with internet connection and Infilbnet facility.

- Wi-fi enabled campus.
- Library has been computerized thus making it fully user-friendly.
- More classrooms equipped with audio-visual aids.

QUEST FOR EXCELLENCE

To achieve excellence, College has undertaken following measures:-

- Periodic updation of curriculum at par with national trends.
- Quality monitoring through IQAC.
- IT enabled teaching-learning process.
- Feedback from different stakeholders.
- Well developed Grievance Redressal mechanism.
- Establishment of Placement Cell.
- Establishment of Women Cell.
- Computerization of College Library thus making it user-friendly.

The journey of quest for excellence has started and we are confident, it will not end with NAAC visit.

CRITERION VII: Innovations and Best Practices

7.1. Environment Consciousness

7.1.1 What efforts are taken by the College to make it pollution free.

College has attached much importance to Environment consciousness. For this, a no. of steps have been taken:-

- The solid waste generated in the College campus are separated into biodegradable and non-biodegradable waste.
- Biodegradables are converted into manure through Vermi Compost which in turn is used in the garden.
- Non-biodegradable waste is collected and burnt to ashes through solid waste management system.
- Utmost care is taken to keep College atmosphere completely pollution free.
- Vacuum cleaner is used in the Library and Administrative office, thus minimizing the risk of environmental disturbance due to dust and particulate matter.
- Rain water is harvested, water is recycled and used for gardening. Thus several hundred litre ground water is saved per day.

7.1.2 What are the initiatives taken by the College to make the campus eco-friendly.

- Various energy conservation measures are promoted. For example, Energy conserving LED bulbs are used. All fluorescent bulbs have been replaced.
- The Batteries are periodically checked and maintained which reduces charging current of batteries.

- Equipments are checked and its output current is monitored to avoid excess current emission.
- Rain water harvesting is used.
- Efforts for Carbon neutrality are made. All CRT Monitors have been replaced by LCD Monitors.
- Trees and herbs are maintained in the College campus in sufficient number.
- Hazardous waste nil in the campus.
- Proper e-waste management strategy introduced.
- Good quality computers are used; care is taken in their disposal.
- Awareness created on the use of non-biodegradable plastic waste.
- Use of Eco-friendly carry bags promoted in the College campus.

7.2. Innovations

7.2.1. What are the innovative courses introduced during the last five years? How do you promote innovation in curriculum?

Innovation in curriculum is promoted through various measures.

- The curriculum is designed and updated regularly so as to facilitate the students to learn level by level.
- Value addition in curriculum has been made by integrating Computer literacy.
- Gender related courses and topics have been incorporated by various departments.
- New topics of current relevance have been included in various subjects.

7.2.2. Describe the strategies evolved in promoting innovations in teaching, learning and evaluation.

Teaching – Learning

- In addition to conventional chalk-board method, ICT is now widely used in teaching.
- OHP is widely used.
- Classroom sessions are interactive in nature.
- Faculties often use self-designed models to explain the topics.
- Project - assignment based learning and student seminars are now essential component of the course.
- Internet facility has been made available to all the faculty.
- Self-learning component has been made mandatory in all subjects.
- Special classes are arranged by the faculty, wherever necessary.

Evaluation

- Answer books of exams are shown to the students.
- Short answers and seminar are now integral part of the evaluation.

7.2.3. Elucidate some of the innovations in research and extension? What initiatives have been taken by the institution to give a significant thrust to research and development in the programmes?

A no. of important steps have been taken by the College to promote innovative research and extension:

- Faculty members are constantly encouraged to undertake innovative research projects.
- All departments have been provided with computer and internet facility.
- IQAC remains in touch with the faculty members for publishing their articles in Journals of repute.
- INFLIBNET facility has been made available in the library for the benefit of students.

7.2.4. What innovative strategies have been adopted in governance?

Full transparency is maintained and there is complete and decentralization of decision making process.

- IQAC regularly monitors various quality indicators relating to good governance.
- Installation of CCTV Camera to monitor the smooth functioning of administration.
- ICT is used to the maximum extent in the governance.
- Major policy decisions are taken at important bodies like; Development Committee, Purchase Committee & Building Committee.
- Various other committees like Women Cell, Grievance Redressal Cell etc. have been made functional to look after the matters relating to day-to-day functioning and effective governance.

7.3. Best Practices

7.3.1. What initiatives have been taken up by the institution to promote best practices in the institution? How does the institution ensure that the best practices have been internalized?

The College has maintained a distinct identity since very beginning. It is recognized as one of the best College of the University.

Following are some of the best practices that have been institutionalized:

- Excellent infrastructure.
- Very good academic ambience.
- Strict adherence to campus discipline.
- Cleanliness of the campus.
- Special attention to the students of disadvantaged section.

- Greater use of ICT.
- Dress code for all students.
- No fee charged from SC/ST and girl students.

The College ensures these best practices through.

- Promotion of healthy teacher-taught relationship.
- Regular meeting of the IQAC.
- Availability of Internet and Inlibnet facility.
- Greater use of ICT in the Governance.
- Promotion of basic research at departmental level.
- Emphasis on co-curricular and extra-curricular activities through NCC & NSS.
- Greater emphasis on research work of teachers and project work of students.
- Encouraging Faculty members to attend conferences and symposia.

7.3.2. What are the inclusive practices of the institution to impart holistic education?

The goal of holistic education is achieved in the following ways:

- Involvement of all sections of student community in the extra-curricular activities.
- Various sports activities are organized at regular interval.
- Organizing different events like Singing Competition, Rangoli, Debate and Extempore, One-act play, Folk Song and Dance etc. on different occasion.
- Integration of all sections of student population.
- Non discriminatory approach.

In all these events students participate with great zeal and enthusiasm and thus the goal of holistic education is achieved.

7.3.3. What are the specific initiatives adopted to establish social justice among students, faculty and community?

The College does not make any discrimination on the basis of caste, creed, race or religion in the admission of students.

- In order to give equity, College follows reservation policy of the state government in the admission of students.
- Reservation policy is followed in the recruitment of faculty.
- Govt. scholarships are provided to the disadvantaged sections.
- Special classes are arranged for the weaker students.
- All sections of student community are actively involved in community development.

7.3.4. How does the institution promote social responsibilities and citizenship roles among the students?

The institution promotes social responsibilities and citizenship role among the students through :

- NCC and NSS
- Organizing various events of national importance and students involvement therein.

7.3.5. What are the institutional efforts to bring in 'Community orientation' in its activities?

Various community-oriented programmes are frequently organized by the College at regular interval :

- Health and hygiene Awareness programme
- Blood Donation programme

- Aids Awareness programme
- Voters Awareness programme
- Literacy Awareness programme
- Plastic Awareness programme
- Road Safety Awareness programme

7.3.6. Does the institution have any exclusive programme under extra-mural/ enrichment wing, to promote social responsibilities and citizenship roles?

Yes, the activities of NCC & NSS are exclusively meant for promoting social responsibilities and citizenship role.

7.3.7. What practices have been taken up by the institution to provide access to students from the following sections of the society:

a) Socially- backward and Economically-weaker

- From the session 2016-17, no fee is charged from girl students as well as students of SC/ST community.
- Approximately 80% of the students belong to weaker sections of the society i.e. ST/SC/OBC community/ Girls.

b) Physically Challenged

The College is sensitive to the needs of physically challenged students. For this purpose

- Ramps have already been constructed which enable such students to reach directly to the classrooms
- Vehicles of such students can come up to the classroom.
- Manual help is extended whenever they are in need.
- 3% seats are reserved for physically challenged students.

7.3.8. What special efforts are made to achieve gender balance amongst students and staff?

- No Fee is charged from girl students.
- 3% seats are reserved for girl students in admission.
- Girl students are admitted in fairly large no.

7.2.9. What intervention strategies have been adopted by the institution to promote overall development of the students from rural background?

College has adopted following strategies for promoting overall development of the students from rural background:-

- Special classes for weaker section.
- Personal counselling by the faculty.
- Improvement of communication skills through special means.
- Computer training programme.
- Through Mentor System.

7.3.10. Does the institution have a mechanism to record the incremental academic growth of the students admitted from the disadvantaged sections?

Yes. The incremental academic growth of the students from the disadvantaged sections is recorded by concerned heads through various interactions and Mentor system.

7.3.11. How does the institution involve all its stakeholders in planning, implementing and evaluating the academic programmes?

The College tries its best to involve all stakeholders in the planning, implementing and evaluation of the academic programmes.

- Feedback from students on curriculum and teaching-learning process.
- Student-Teacher Meet.
- Feedback from the alumni.
- Suggestions from the parents.
- Interaction of students with heads and Principal.
- Feedback from ex-faculty on the curriculum and teaching-learning process.
- Grievance Redressal Cell.

7.3.12. How does the institution develop new programmes to create an overall climate conducive to learning?

The new programmes are introduced in accordance with the need.

- Proposals are sent to the University for consideration and approval.
- After University's approval, new courses are started.

7.3.13. What are the key factors that attract students and stakeholders resulting in stakeholder satisfaction?

The key factors that attract students and stakeholders are :

- Centrally located campus, very near to Darbhanga Railway Station.
- Campus discipline.
- Dress code.
- Excellent infrastructure.

- Qualified and dedicated faculty.
- Satisfactory teacher-student relationship.
- Excellent academic ambience.
- ICT enabled teaching.
- Wide choice of courses.
- Excellent library facility with internet and wide range of books.
- Emphasis on computer learning and soft skill development.
- Career counselling.
- NCC, NSS, sports and extra-curricular activities.
- College student securing University ranks year after year.
- Placement opportunity.

7.3.14. How does the institution elicit the cooperation from all stakeholders to ensure overall development of the students.

All stakeholders extend their full cooperation to the College administration for overall development of the College.

- Teachers discharge their duties with full commitment.
- Students actively involved in academic and co-curricular activities besides academic activities.
- Alumni provide their valuable guidance and suggestions.
- Teachers participate in administrative and research activities in addition to teaching.
- Seminars and symposia organized at regular interval for the benefit of students.
- Regular interaction with the parents.

7.3.15. How do you anticipate public concerns in your institutions with current and future programme offerings and operations?

Public concerns are anticipated through following means.

- Parents meet frequently with the heads and Principal which gives insight about the problems and future challenges.
- Media coverage of various functions held in the College also gives insight about the present scenario.
- Meetings of Principal, teachers and alumni in various social gatherings.

7.3.16. How does your institution actively support and strengthen the neighbourhood communities? How do you identify community needs and determine areas of emphasis for organizational involvement and support?

The institution supports the community in the following ways:

- Different activities of NCC and NSS aim at strengthening the neighborhood communities.
- With the Support of NGOs, Banks and Alumni, programmes like Aids Awareness, Voting Awareness programme and Blood Donation camps etc. are organized at regular interval.

7.3.17. Describe how your institution determines student satisfaction, relative to academic benchmarks? Do you update the approach in view of the current and future educational needs and challenges?

The ultimate aim and objective of the College is students satisfaction.

It is determined through the following measures.

- Feedback is obtained from the students about the curriculum, teachers performance, infrastructural facilities and overall academic scenario.
- Grievance Redressal Cell caters to the suggestions and complaints of the students.

- Regular interaction with the heads and the Principal addresses the day-to-day needs of the students.

7.3.18. How do you build relationships

- *To attract and retain students*
- *To enhance student's performance and*
- *To meet their expectations of learning*

To attract and retain students

- All informations of the College are presented on College website.
- Maintaining good relation between students and teachers within the campus.
- Campus discipline.
- Personal counselling given as and when required.
- Student-Teacher Meet at regular interval.
- Participation of students in cultural activities.
- NCC and NSS bridges the gap between students and the faculty.

To enhance student's performance

- Availability of INFLIBNET facility, books and internet connection in the College library.
- Mentor system for the students.
- Personal counselling to the weaker students.
- Project work and student seminars.
- Classroom discussions and presentations by students.

To meet their expectations of learning

- Availability of the Head and all faculty during College hours.
- Inclusion of current and relevant topics in the syllabi.

- ICT enabled teaching.
- Innovative teaching-learning methods.
- Availability of INFLIBNET and Internet in the library.
- Student support systems.
- Mentor system

7.3.19. What is your complaint management process? How do you ensure that these complaints are resolved promptly and effectively? How are the complaints aggregated and analyzed for use in the improvement of the organization, and for better stakeholder-relationship and satisfaction?

The College attends to all the complaints of all the stakeholders through :

- Grievance Redressal Cell.
- Suggestion box.
- Student-Teacher Meet
- Departmental Council.
- Feedback from all stakeholders.
- Regular interaction with the heads and the Principal.
- RTI.

Prompt action is taken on all important issues and good suggestions are incorporated to the best satisfaction of the stakeholders.
